

EFRIS-EXPORT FISCALIZATION USER GUIDE

MARCH 2025

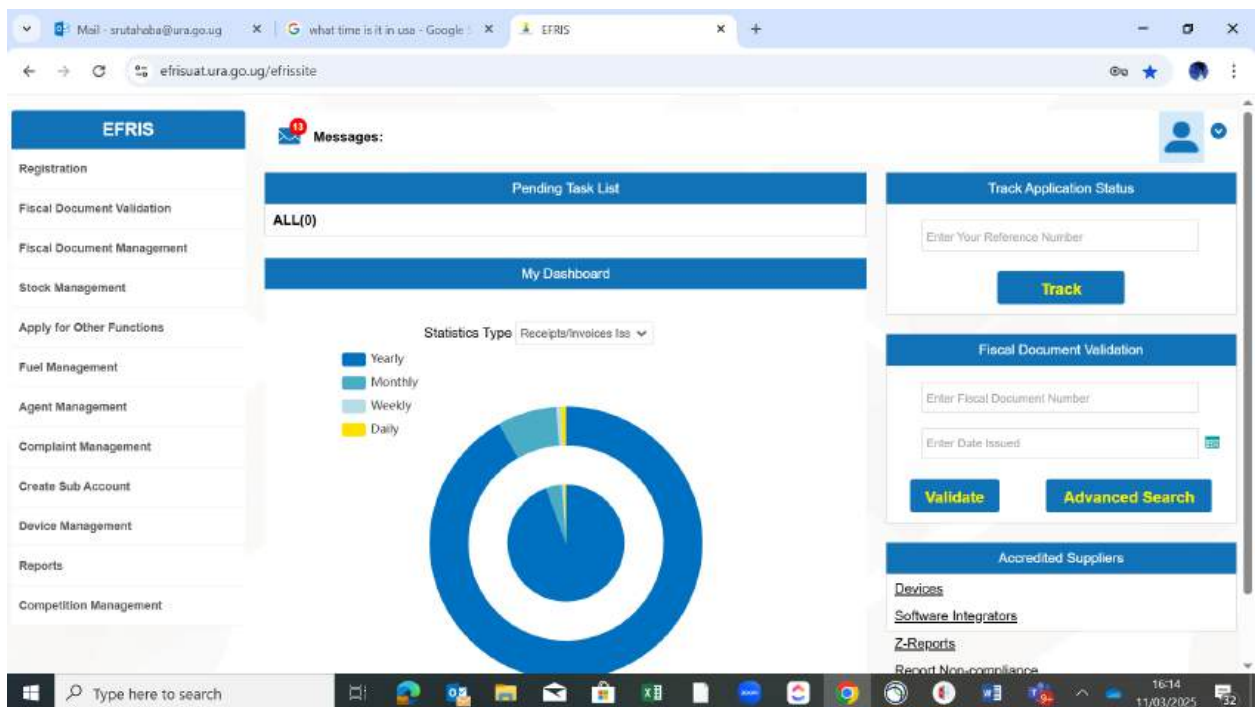

a. EFRIS Processes

Log in with correct credentials e.g. TIN and Password

The screenshot shows the EFRIS login page in a web browser. The browser's address bar displays 'efrisuat.ura.go.ug/efrissite'. The page has a yellow and blue color scheme. On the left, there are two sections: 'Fiscal Document Validation' with a text input for 'Enter Fiscal Document Number' and a blue 'Validate' button, and 'Track Application Status' with a text input for 'Enter Your Reference Number' and a blue 'Track' button. In the center, there are links for 'Accredited Suppliers >>', 'Report Non-compliance', 'Downloads >>', and 'Mpa e-receipt Yange'. On the right, the 'Login' section has a 'Login ID' input with the value '1000041428', a 'Password' input, and a yellow 'Login' button. The Windows taskbar at the bottom shows the search bar and various application icons.

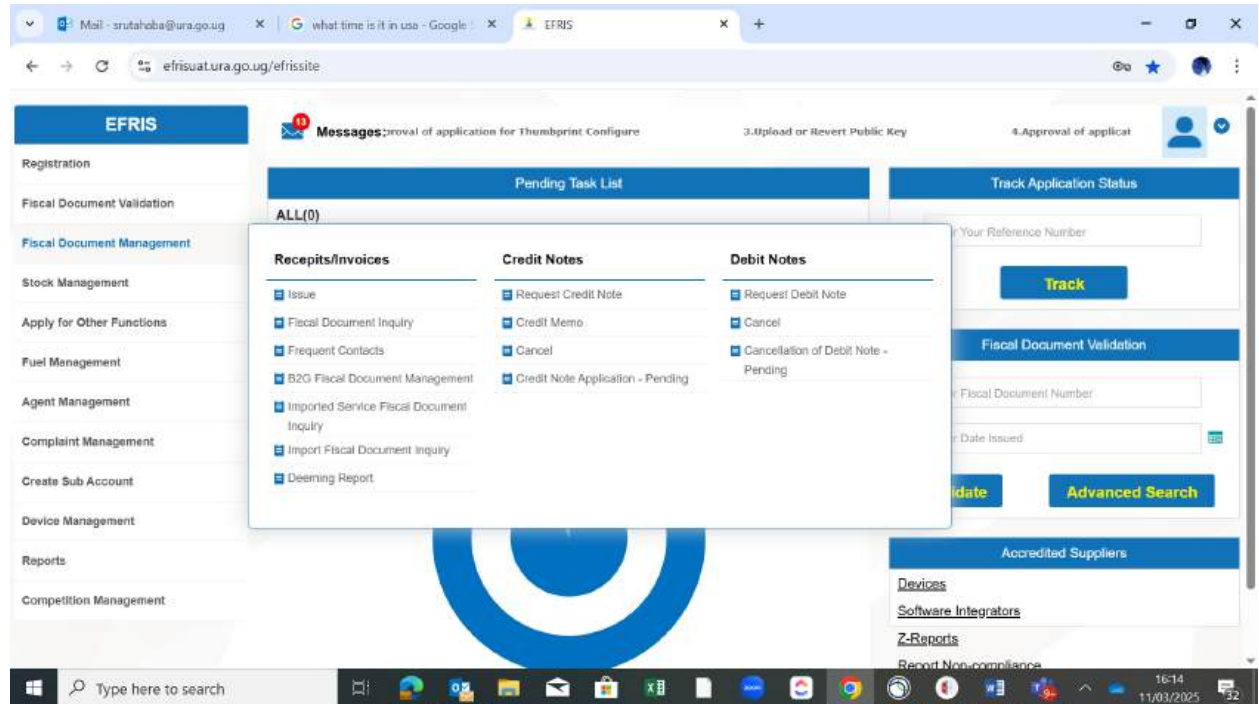

Input OTP

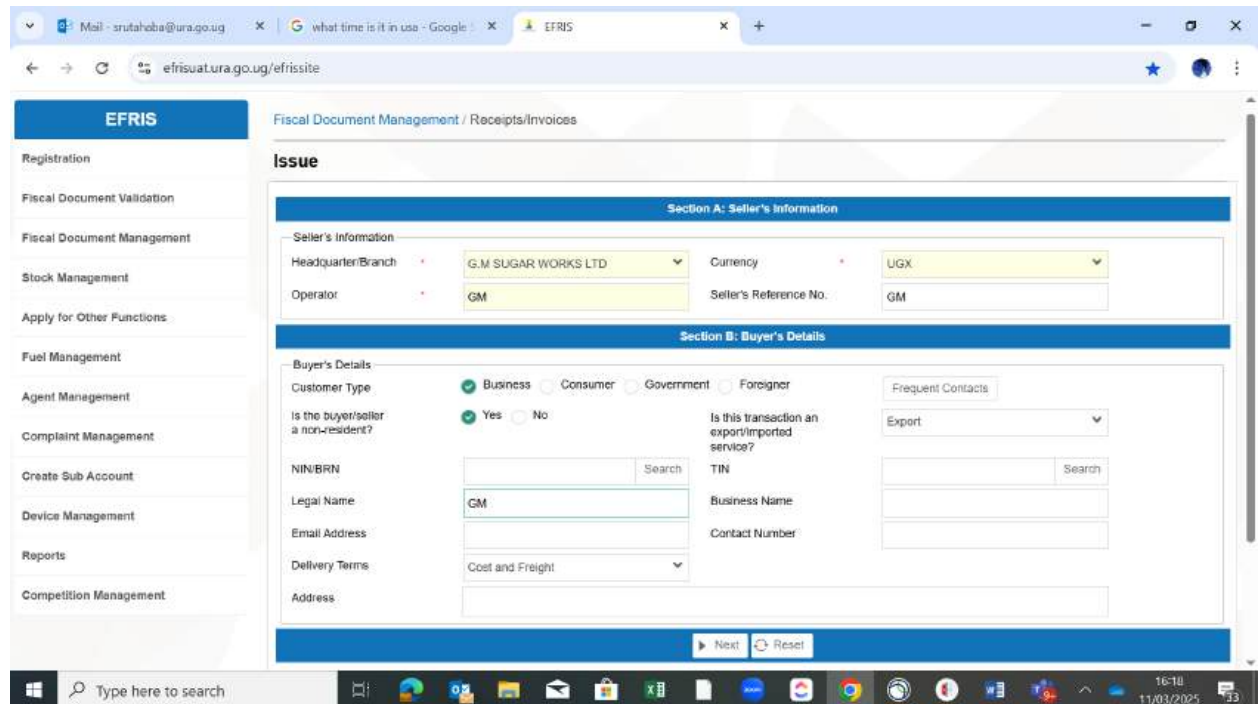

The screenshot shows the EFRIS dashboard after a successful login. The browser's address bar still shows 'efrisuat.ura.go.ug/efrissite'. The dashboard has a blue header with the 'EFRIS' logo and a user profile icon. On the left is a navigation menu with items like 'Registration', 'Fiscal Document Validation', 'Fiscal Document Management', 'Stock Management', 'Apply for Other Functions', 'Fuel Management', 'Agent Management', 'Complaint Management', 'Create Sub Account', 'Device Management', 'Reports', and 'Competition Management'. The main area features a 'Messages' section with a red notification icon, a 'Pending Task List' showing 'ALL(0)', and a 'My Dashboard' section. The 'Statistics Type' section shows a donut chart for 'Receipts/Invoices Iss' with a legend for 'Yearly' (blue), 'Monthly' (teal), 'Weekly' (light blue), and 'Daily' (yellow). On the right, there are sections for 'Track Application Status' with a 'Track' button, 'Fiscal Document Validation' with 'Validate' and 'Advanced Search' buttons, and 'Accredited Suppliers' with links for 'Devices', 'Software Integrators', 'Z-Reports', and 'Report Non-compliance'. The Windows taskbar at the bottom shows the search bar and various application icons.

FDN generation in EFRIS portal

Select “Fiscal Document Management” from the list on the left of the screen and select “Issue” from the Pop Up screen.

Fill in all mandatory fields and select next

Click “Add” to add the product item

The screenshot shows the EFRIS Fiscal Document Management / Receipts/Invoices interface. The left sidebar contains a menu with options: Registration, Fiscal Document Validation, Fiscal Document Management, Stock Management, Apply for Other Functions, Fuel Management, Agent Management, Complaint Management, Create Sub Account, Device Management, Reports, and Competition Management. The main area displays the 'Issue' form with the following sections:

- Section C: Goods/Services Details**: Includes an 'Add' button and a table with columns: NO., Item, Unit of Measure, Unit Price, Quantity, Total, and Tax Rate.
- Section D: Payment Details**: Includes a 'Payment Mode' dropdown and a '+' button.
- Section E: Tax Details (UGX)**: Includes a table with columns: Tax Category, Net Amount, Tax Rate, Tax Amount, and Gross Amount.

Assessment of declaration without an FDN

[illegible]

[illegible]

Assessment of a declaration with more packages than those declared on the FDN

The screenshot shows the ASYCUDAWorld URA application interface. The main window displays a declaration form for a shipment from G.M. SUGAR LIMITED. The form includes fields for declarant, consignee, origin, and destination. A red error message box is overlaid on the form, stating: "Error: Quantity exceeds invoice item quantity". The error points to the 'Quantity' field in the 'Packages and description of goods' section, which is set to 5. The 'Invoice item quantity' field is set to 1. The 'Packages and description of goods' section also shows 'Marked and unmarked' as 'AS ADO' and 'Marked and unmarked' as 'NO'.

Assessment of declaration with a correct FDN with more than one item

The screenshot shows the ASYCUDAWorld URA application interface. The main window displays a declaration form for a shipment from G.M. SUGAR LIMITED. The form includes fields for declarant, consignee, origin, and destination. A 'Transaction completed' dialog box is overlaid on the form, indicating that the transaction has been successfully processed. The dialog box lists the following items: 'Print S.A.D document - customized', 'Print S.A.D attached documents', 'Print S.A.D document - full copy', 'Print S.A.D document', 'Print S.A.D document (first page)', and 'Print Assessment Notice'. The dialog box also includes a 'Mail to' field.

The screenshot displays the URA World Uganda desktop interface. A central window titled "Detailed Declaration Under" shows a table with columns for Year, Declaration Ref, Receipt No., Declaration name, Declaration name, T.A. No., Date, Locality, and Exp. Date. The first row contains values: 03, NEW, 100002, 45509, 0, 46, 170810, M, 4, 1, TEST FROM UG, BOLLORÉ TOURIST, 02, 4, 02, 201812, KIDUGU, 04, 1, bus, Top. Below the table, there's a large circular logo. To the right, a vertical sidebar lists various services under "Document Library", including Accounting & Payments, Advance Rulings, Airway Freight Observatory, Cash Manifest, CERS, Customs Warehouse, Data Exchange, Entry and Exit Card, Fast Customs Processing, Goods Clearance, Declaration, Detailed Declaration, New Import, New Export, Previous Declaration, Transfer Multi-Entry, Reports, Warehouse Stock Management, Unbonded Possession, Integrated Tariff, Duty, References, Security, Single Customs Territory, Vessels, Vehicle Configuration, Vehicle Registration, Transit, Travel Agent, Validation control, Warehouse Deployment, International Trade, New Rules, Single Window, System Administration, System Admin, and My Profile. At the bottom, a system tray shows icons for Document Library, Detailed Declara..., and a clock displaying 7:04 PM on 2/7/2025. A small error dialog box is visible in the center, stating "Server error: You are not authorized to handle this web session (42304)".

The screenshot displays the URA Document Entry System interface. The main window shows a detailed declaration form for a cargo shipment. The form is divided into several sections, including 'Declaration', 'Cargo Details', 'Transport Details', and 'Value Details'. The 'Declaration' section includes fields for 'Country of origin', 'Country of destination', and 'Commodity'. The 'Cargo Details' section includes fields for 'Weight', 'Volume', and 'Value'. The 'Transport Details' section includes fields for 'Mode of transport', 'Vessel name', and 'Port of origin'. The 'Value Details' section includes fields for 'Net weight', 'Gross weight', and 'Value'. A sidebar on the right lists various document types, including 'Declaration', 'Invoice', 'Bill of Lading', and 'Certificate of Origin'. A 'Document Entry' button is visible at the bottom of the sidebar.

The screenshot displays the ASYCUDA application interface, which is used for managing trade documents. The main window shows a document entry form for a cargo manifest. The form is divided into several sections, each containing specific data fields. A 'Transaction completed' dialog box is overlaid on the right side of the screen, indicating that the transaction has been successfully processed. The dialog box includes a confirmation message and a list of documents associated with the transaction. The background shows a sidebar with navigation options such as 'Document Entry', 'Document Search', and 'Document Management'.
